

CAMPIONATO

EUROPEO

TRIAL

GIOVA

PRAGELATO

19 LUGLIO 2009

On behalf of JHYTA we would like to congratulate Jonathan Lunney

On his Inaugural European trial at Pragelato, Italy, 19th July 2009 finishing in 15th place

And a very impressive 5th place Czech republic European trial at Tanvald 25th July 2009

David Lunney reported that unfortunately Jonathan's chain came off after clipping a Granite rock as he jumped over it in section 2 close to the end of the section on which he was clean to that point, Without this bit of bad luck he would have been guaranteed a podium position.

Also a big thanks to Ragnar Smith who was Jonathan's minder for both events.
