

John Hagan Youth Trials Academy

Mission statement

Mission Statement:

It is our aim: -

- To provide adequate control of the health and safety risks arising from motorcycle trials activities
- To consult with our riders and guardians on matters which may affect their health and safety
- To give instruction on maintaining safe working machines by giving as much advice as possible – *Scrutineering bikes prior to trials*
- To provide information, and guidance with adequate supervision
- To provide trials training from persons of a higher standard than the grade they currently ride leading to coaches trained with recognized training certificate
